

MEMBERSHIP CARDS

Requirement to show to obtain discount

In previous years the club have not enforced the showing of membership cards to obtain discounted drinks at the bar. This has meant that there bar staff were unable to identify who was eligible for discount, in effect meaning that everyone got it, hence penalising qualifying members. In line with the new policy 'passed' at the 2018 AGM we will now be enforcing the showing of membership cards to obtain discount at the bar. Existing cards will be blocked then revalidated when your renewal is paid (Patrons and other members on standing order payment will automatically be revalidated).

If you have misplaced your card then a new card can be obtained from behind the bar. We will have to charge a replacement fee of £1 for these new card to cover the replacement cost.

Entitlement to cards and the associated bar discount is related to the membership paid and covers the following class of membership:

- Patron
- Senior Player
- Student (18+)
- Social member
- Volunteer member

The card can be used in two ways, you can 'add money' to the card with card and then present the card when you purchase your discounted drinks, at which time the balance will be debited from your card. Alternatively, present your card with the appropriate cash at the time off purchase to get your discounted drinks.

The club understands that there will be a transition period so will try to accommodate people who 'forget' their cards by manually checking their membership, however this will end at the start of October. At busy times during this transition period (straight after a game), we reserve the right to charge full price to people who do not present their card and their membership status is not known,if the staff are too busy dealing with a packed bar.

If you are a member then this will have no financial effect on you other than you have to remember to put your card in your wallet/pocket.

Please remember

If you do not have your card with you, it is your fault not the server's so please do not moan at them, they will always try to help where possible. If you have an issue please raise it with a committee member and not with the server.
